

Fifth-Year Study Plan

A weekly template that balances clinics, exams, and sleep

Morning (08:00-12:00): clinical rotation - arrive 15 min early

Midday (12:00-13:00): documentation while fresh

Afternoon (14:00-17:00): lectures and lab work

Evening (19:00-21:30): 2 focus blocks (50/10 method)

Friday: full rest or 1 light review block only

Rules: sleep 7h minimum; document cases the same day;

weekly review every Saturday morning, 45 minutes.
